

ARC Alumni Newsletter July - August '16

The ARC Alumni (Est. February 2013) was created to help each other stay clean and sober through group activities, fundraising events, providing residential/post residential assistance, introductions to 12 step programs and general support for our Brothers and Sisters!

ARC Community Nights

All Alumni are welcome to participate (unless prohibited from the building) in ARC community nights/Ice cream socials at the residential building, 1003 W. Main St. on the **4th Sunday of each month from 7 – 8 PM.** This serves as a great opportunity to let clients know more about the alumni goals and give them safe people to reach out to once they are finished with inpatient. Please join us for fun and fellowship with ARC clients

Wanted: Drivers

Have 2 years sober and a valid driver's license? Residential is looking for **volunteers to give clients rides to and from meetings, and doctor/court appointments as well as drivers to take clients to meetings and events on the bus.** Please contact Rosie E. @ (541) 779-1282 ext. 117 for the bus application.
