In Loving Memory of Dale Smith

It is with sadness that I write this [email] to let you all know of the passing of a member of our ARC family, Dale Smith. Dale was a client here at residential in 2013, he completed and went on to services at outpatient. From the time Dale was able he became a champion of service to the ARC and to the clients of the ARC. Night after night he was here to pick up men for meetings out the recovery community and often you could ask any of the guys who their ride was and they would say it was Dale. Dale was in attendance or secretary of the in-house meeting on Tuesday and Saturday nights since he was an active client. He was also an active member of the ARC alumni, serving as the alumni's treasurer. I was honored to be able to call Dale a friend, he will be greatly missed. When I have news of a service, I will pass that information along.
